DESCRIPTION

2023 Subaru Forester Limited

The 2023 Subaru Forester Limited is a smart choice for Oakville drivers who want a confident, all-weather SUV with a practical layout. This used Forester Limited is finished in Grey with a Black interior and shows 76,660 km. CARFAX Canada reports it has never been accidented and has had a single owner, giving you extra peace of mind when buying from Budds' Subaru. Under the hood, the 2023 Subaru Forester Limited uses a 2.5 L direct-injection Subaru Boxer 4-cylinder engine with 16 valves and dual overhead cams with variable valve timing. Power is delivered through a Lineartronic CVT with an electronic control system, paired with Subaru all-wheel drive (traction intégrale). The Boxer design helps keep the engine low in the chassis, supporting stable handling and a planted feel in changing weather.
